

# Appendix of Fees

## CAMPBELL COUNTY CODE OF 1988

The Campbell County Board of Supervisors has adopted a number of uncodified ordinances setting fees or schedules of fees applicable to specified sections, articles, or chapters of the Campbell County Code of 1988. Such statements of fees or schedules of fees are set forth in this appendix and incorporated by reference into the applicable provisions of the Campbell County Code of 1988, of which this appendix shall be deemed to be a part. These fees or schedules of fees may be amended from time to time by the Board of Supervisors by duly adopted uncodified ordinances.

### Building Permits

[Chapter 5 – Section 5-3]

Nothing in this schedule shall be construed to exempt anyone from obtaining the required permit where such work is regulated by the Uniform Statewide Building Code or other standardized building code applicable in Campbell County. On all buildings, structures or alterations requiring a building permit, fees shall be paid as required by Section 5-3 of the Campbell County Code of 1988 in accordance with the schedule of fees herein.

#### Comprehensive Building Permit Description (Residential Only)

Inclusive of building structure, electrical system, plumbing systems, mechanical system, porches, decks and all appurtenances. Covers new construction of residential and commercial buildings from the ground up.

The fee shall be based on the floor area to be constructed as computed from the exterior building dimensions at each level.

#### New Residential Comprehensive Construction

For Use group R (BOCA & CABO)	\$0.18/sf of gross floor of living area
Unfinished basements, garages, carports, sheds, decks, and porches	\$0.11/sf
Minimum fee	\$175

#### Building Permit Description (Non-Inclusive)

Building structure, electrical systems, plumbing systems, mechanical systems, porches, decks and all appurtenances are computed separately. Covers new construction of residential and commercial buildings from the ground up.

#### New Residential (Including Modular Homes)

Covers additions, alterations, and/or renovations requiring building permits. (The fee shall be based on square foot of gross floor area of living area.)	Use Group R: \$0.10/sf Minimum fee: \$25
---	---

#### New Commercial

Covers additions, alterations, and/or renovations requiring building permits. (The fee shall be based on square foot of gross floor area of living area.)	Use Group R: \$0.10/sf Minimum fee: \$50
---	---

#### Plan Review

The plan review is included in the permit fee. However, when required by the Building Official, construction documents shall be referred to a qualified and approved plan review service. All fees and costs related to performance of the plan review service shall be the responsibility of the building owner.
